IWC Tax Exempt Corporate Supporter Opportunities

Wildlife Enthusiast,

As a non-profit organization, International Wildlife Crimestoppers, Inc. is dedicated to reducing the illegal taking of North America's fish and wildlife resources through the exchange of information with anti-poaching organizations at international, national, regional, and local levels. "Report-A-Poacher", "Operation Game Thief", and "Turn in Poachers" coordinators from the United States and Canada meet annually to discuss new ideas and successes of these programs, enabling provinces and states to improve and protect our fish and wildlife resources. Our objective is to provide support for our members, both financially through a grant program for projects targeting wildlife crime as well as support through media, strategic partnerships with like-minded organizations, and education. With these in mind, we respectfully ask for your long-term tax-deductible support by becoming a contributing participant with International Wildlife Crimestoppers, Inc. (IWC).

Organization Objectives:

1. To encourage the collection and exchange of information on natural resource crimes for other agencies and organizations.
2. Education of our youth on the responsible use of our wildlife resources and of their responsibilities as the future stewards of those resources.
3. To provide information and education for the members and the public on reporting and preventing natural resource crimes to ALL wildlife stakeholders through outreach and strategic partnerships with dedicated wildlife related non-governmental organizations (NGO's). This includes encouraging and promoting close cooperation between civilian organizations, NGO's and natural resource law enforcement agencies to recognize and reduce natural resource violations through the use of crimestopper programs.
4. To assist in developing training programs and funding ideas for programs for the apprehension of natural resource violators. We look to create force multipliers with all of our programs.
5. Support for all jurisdictions to gain valuable knowledge at an annual training conference. The more information we share, the more poachers we catch!

Please consider one of the various levels of tax deductible support outlined below:

CORPORATE RING of HONOR

As a **\$100,000 (or greater) one time (or \$10,000 per year for TEN (10) years, cash or in-kind)** RING of HONOR member, you will receive all of the benefits of a PROTECTOR of WILDLIFE membership and RING of HONOR western belt buckle.
