

*Our Mission: As a non-profit organization created by wildlife resources officers, we are dedicated in our efforts to stop poaching of North America's fish and wildlife resources through a comprehensive conservation law enforcement approach and the exchange of information with anti-poaching organizations. We promote public education on the differences between sustainable use and poaching, with a special emphasis on youth education therefore creating a force multiplier for law enforcement charged with protecting these valuable resources.*

## **Your Support Helps IWC:**

- Support state and provincial wildlife law enforcement entities, as a force multiplier with specialized equipment for anti-poaching programs.
- Support sustainable use of wildlife resources and habitat protection through comprehensive law enforcement efforts, networking and information sharing.

- Continue supporting our strategic partners as their law enforcement resource.
- Continue strategic partnership with the *Outdoor Tomorrow Foundation*, supporting public and private school education of our nation's youth about the North American Model of Wildlife Conservation and the negative effects of poaching.
- **STOP ALL POACHING!**
