

Our Mission: As a non-profit organization created by wildlife resources officers, we are dedicated in our efforts to stop poaching of North America's fish and wildlife resources through a comprehensive conservation law enforcement approach and the exchange of information with anti-poaching organizations. We promote public education on the differences between sustainable use and poaching, with a special emphasis on youth education therefore creating a force multiplier for law enforcement charged with protecting these valuable resources.

Please help STOP POACHING, become a **tax-deductible** annual member today!

BRONZE MEMBER \$20.00
